President's Message by Sanchia Spadow

This has been quite a year! Several of our board members have dealt with personal and family illnesses and losses, but the group coalesced, supported each other, and kept its focus and did not miss a beat. They are an amazing group of women; it's been a privilege to have worked with them this year.

We celebrate the accomplishments of the year with several "firsts." The *first* annual Women of Distinction was held in February. This event, shepherded by Jackie Lamb and a first-rate team, brought his event 'out of the ashes' and planned an outstanding luncheon at which we honored two well-deserving women from South Placer. We also conducted our *first* Raffle of seven wonderful prizes - all donated.

Speech Trek, partnering with the Lincoln Hills Community Forum, had the best attendance ever! Tech Trek increased the number of girls to six to attend UCD Camp this year. Sierra College Scholarship adds a third student to the scholarship roster this year. Another *first*: Five High School Scholarships will be awarded this year.

To those board members whose board responsibilities will end June 30th, a big thank you! It's been a pleasure to work with you. To board members staying on, we say a thank you for continuing to share your leadership skills and commitment for another year.

Thirty-seven members attended the Annual Meeting on May 10th and elected the new officers for 2016-2017. Those in attendance heard an outstanding speaker, Cheewa James, whose topic "If it is to be; It begins with me" resonated with so many of us. I hope you'll take the opportunity to hear her at one of her future speaking engagements.

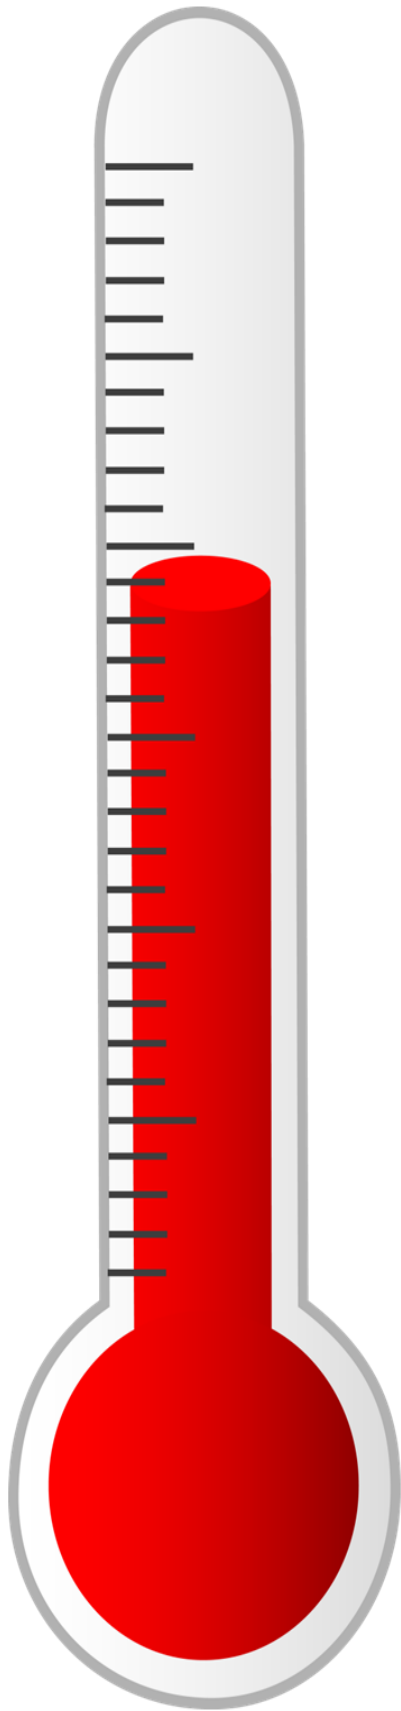

I hope you will attend the Installation and Awards luncheon on June 29th to thank all the volunteers of the past year and to give a warm welcome to the new President, Kathleen Crawford, and the officers and appointed members of the Board.

Thank you for the privilege of serving as branch president. I look forward to seeing you at programs and events next year.

Sanchia

Highlights of the May Board Meeting will be found on page 6 of this issue.

**2015-2016 FUNDRAISING
GOAL: \$20,000
TO DATE: \$15,000
CURRENT FUNDRAISER IS OUR
NON-EVENT- Please mail in your
card!!**

The wonderful projects that we sponsor each year cannot be totally funded by the membership dues. Like all other philanthropic organizations we must raise funds through fundraising efforts.

To review, we fund:

3 Sierra College Scholarships

5 High School Scholarships

6 girls to attend Tech Trek

3 Sierra College students to attend National Leadership Conference.

We raise money this year to fund next year's projects. If we are unable to reach our fundraising goal then there is the possibility that the budget for 2016/17 will have to be reduced. This means a reduction in the number of women and girls that we can support and award! Our branch has grown from 40 members to over 200, yet our fundraising has not shown the same percentage of change.

For the past 3 years, our fundraising has remained static.

PLEASE, WE ENCOURAGE YOU TO DONATE THROUGH OUR NON EVENT by June 30th It is so easy; just mail in your card and donation. We thank those who have already donated and thank you in advance for your donation!!

Jackie Lamb, VP Philanthropy

Annual Tech Trek Ice Cream Social A Big Hit

By Kim Lillard, Branch Tech Trek Chair

In case you haven't been able to keep up with the progress of your Roseville-South Placer AAUW Branch's Tech Trek, let's bring you up to date.

This year, we were fortunate to have the funds in place to choose six Tech Trek scholarship winners, one up from the five last year who were chosen. The young ladies this year were from six different area middle schools, which was no surprise, since we had eleven schools participate by sending twenty young ladies through the nomination process. Out of those twenty nominated, eleven were interviewed. Six were chosen for the scholarship, and two were chosen as alternates should one of the six scholarship recipients be unable to attend.

We hold an annual Ice Cream Social event for the recipients and their parents to come together to get to know one another, and this year was no exception. The event was held on Saturday, May 7th, at Kim Lillard's home in Lincoln, and featured two young scholarship recipients from last year, Elena and Raquel, who spoke eloquently about their own camp experiences. This year's girls were naturally full of questions, and there was a lengthy question-and-answer period wherein the older, wiser girls were peppered with questions from the excited (but a bit anxious) girls heading for camp this year.

Another Ice Cream Social tradition was observed this year, in which the girls were each given a small bag of goodies that included items to be used at camp, plus a plush little stuffed Tech Trek bear as a keepsake and memento. Afterwards, chocolate and vanilla ice cream with sprinkles, cherries, and chocolate sauce were on the menu, and the girls chowed down while excitedly chattering about what to expect this summer at Tech Trek Camp, all the while bonding happily with each other. The parents were able to eat ice cream and talk together as well and seemed very pleased to meet each other and share their excitement and happiness about their girls' opportunity to attend Tech Trek camp this summer. For those of you who may be interested, the UC Davis Tech Trek camp offers a Visitation Day for AAUW members, which will be held this year on Thursday, July 14th. Please contact Kim Lillard at lincolnites3@yahoo.com if you'd like to attend.

Here's our Newest Sierra College Scholarship Awardee!

By Betty Manning, Sierra College Scholarship Chair

Micheal (pronounced Michael) Wilson was chosen as our 3rd scholarship student at Sierra College on Monday, May 9, after an afternoon spent interviewing 6 applicants. Last year we only had 4 applicants for our two scholarships, so it was wonderful to have so many applicants for our 3rd scholarship this year. That is, except for the fact that it made it tremendously difficult for the Scholarship Committee to choose from the 6 obviously deserving and very qualified students!

Micheal said in her application and during her interview that she is a third generation welfare recipient and a single mother. However, she has always worked to provide for her daughter and said that her family were hard workers but never valued education.

In her job as a Dispatcher and Office Manager for a trucking company, she said it was difficult to make a salary sufficient enough to support herself and her daughter. She felt she was in a familiar pattern and made the decision to do something different.....to get an education! It was difficult going against her family's values and legacy, but she wanted more for her

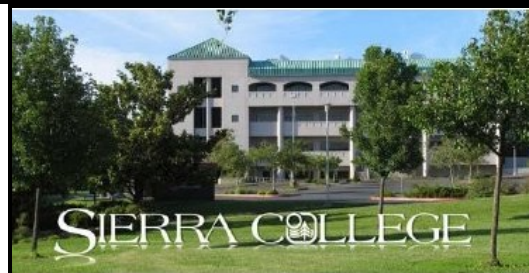

daughter. She lost a year of schooling at Heald College when they closed but is now even more determined to move forward. She said she's been inspired, challenged, and motivated by the staff at Sierra College. She's looking forward to graduating in 2017 with an AA degree in Communications and then transferring to CSUS for her BA degree.

Micheal has multiple student loans and she and her daughter live on a very tight budget. Her quote in her application says it all: that a scholarship means that we are investing in her education and helping to mold the next generation. She views scholarships as "hand-ups," not "hand-outs."

When asked for 3 adjectives to describe herself, she said: charismatic, driven/determined, and a role model. We agreed! One of her goals is to work in Human Resources where she feels she can make a difference in women's lives by promoting both equal pay and education.

Of the 6 students the Scholarship Committee interviewed, there were 3 who we really wanted to give scholarships to. However, when we finally decided on Micheal, it was because we felt that she was truly a student who our scholarship will make a difference for and who will eventually make a difference in other women's lives!

Many thanks to our members who support the various programs at Sierra College that enable and empower today's women and girls.

Sierra College Women Students in Need By Sue Miller

Please help low-income women students at Sierra College by collecting and donating the following:

Travel sizes of shampoo and conditioner; tampons, pads, soap/ shower gel, razors; toothbrushes/toothpaste/floss; tissues; hand sanitizer; baby diapers and wipes; school supplies such as pens, pencils, sharpies, highlighters, notebooks, staplers.

The branch voted to give members the opportunity to contribute to the new Women's and Gender Resource Center at Sierra College as an on-going project this spring.

Drop off your items to one of the following:

Lincoln—Sue Orvis; Rocklin—Sue Miller; Roseville--Linda Howard; Loomis and Granite Bay—to one of the members listed, OR...

Neighborhood Groups and Interest Groups can also serve as collection sites.

The Women's and Gender Resource Center, developed under the leadership of student leader Rachel Sexton, a NCCWSL attendee in 2015, provides comprehensive information about issues affecting women. The addition of a collection site for much needed supplies helps low-income Sierra students.

Highlights from AAUW-RSP Board Meeting May 11, 2016

- President Sanchia Spandow reminded the board members to bring their experience binders to the June board meeting to pass on to incoming board members.
- Membership VP Patricia Lane reported that renewals are coming in both online with the National AAUW system as well as USPS. There will be a reminder in Branch Lines that dues are due by June 30. Late renewals will be charged a late fee.
- Philanthropy VP Jackie Lamb reported that the non-event fundraiser checks were arriving with 40 members contributing to date. Funds are being accepted through June for distribution to our projects in the 2016-17 year. The United Auburn Indian grant to Tech Trek is not being renewed this year.
- Outreach VP Lynda Braun reported that all projects are in the final phase of distribution this year with 5 high school scholarships, 3 Re-Entry Scholarships for Sierra College, 2 NCCWSL attendees at the National Student Leaders conference on the East Coast, and 6 middle school girls going to Tech Trek at UC Davis this summer.
- The June and July Board meetings will be re-scheduled as necessary due to travel plans and availability of outgoing and incoming board members.
- The board expressed appreciation for the work of our board leaders and community project leaders in accomplishing our goals and mission for another successful year.

Kathleen Crawford, Secretary

NOTE: AAUW Dues Payment & 2016-2017 Handbook Changes

Here's an important notice from our Handbook Publisher, Cindy Hays:

- Per board policy, only members who have joined or renewed their AAUW membership **by July 15, 2016** will be included in the Branch Handbook.
- Members are asked to send names and addresses, **both changes and new**, to be included in the Handbook **by July 15**—firm deadline.
- Members may choose to have their home phone AND/OR their cell phone numbers included.
- Please check the 2015-2016 Handbook to make sure your information is still correct.

Send any changes or additions to Cindy Hays **before July 15**.

NOTE: Dues payment of \$93 is due on or before June 30.

Dues received after July 15 will be subject to an additional \$10 processing fee.

The renewal form for current members and method of payment is included on the last page of this issue of Branch Lines.

What's Your Story?

Describe how your pay hasn't shown your value.

Please send your experience of 150 to 200 words to member **Pam Wilkinson** via email so she can assemble your stories to send to Shannon Smith-Crowley, our California AAUW Advocate, to help her with bills in the California Assembly and Senate.

Please try to send your story by early July.

Your story can tell why you were inspired to seek work in a particular field, how you prepared for work through education and experience, how you learned that you were valued less, paid less, didn't get the position or promotions that a man got.

You may want to name the company or field of your work but it's not required.

To conclude your story, tell the outcome: paid more, paid the same, lost the job, or that your efforts to get equal pay worked.

Public Policy News

Reported by Mary Kay Melton, Branch Public Policy Chair

The Public Policy legislation that AAUW supports and advances in order to further the goal of empowering women is prolific while also being intensely focused.

**Here are some recent examples from:
AAUW Washington Update, May 13, 2016**

1. AAUW Co-Hosts Senate Briefing on Women in STEM

AAUW, along with the National Coalition for Women and Girls in Education (NCWGE), the Association of Women in Science (AWIS), and Society of Women Engineers (SWE), co-hosted a briefing to educate congressional staff about gender inequities in STEM. The panel featured Dr. Pamela McCauley (Board of Governors of AWIS), Nora Boretti (U.S. Government Accountability Office), and Dr. Stacie Gregory (Research Fellow at AAUW). The briefing, moderated by AAUW Associate Director of Government Relations Erin Prangle, included an analysis of a recent GAO report which identified 13 potential actions federal agencies could take to address the underrepresentation of women in STEM research, a review of current scientific studies on obstacles to women's participation in STEM, and an overview of pervasive sexual harassment in STEM fields. Panelists addressed ways to improve data collection and perform compliance reviews that are legally required under Title IX—the federal law that bans discrimination in publicly-funded research and education.

2. Passage and ratification of the Equal Rights Amendment discussed

Reps. Bonnie Watson-Coleman (D-NJ), Carolyn Maloney (D-NY), and Sheila Jackson Lee (D-TX) spoke on the House floor yesterday to call for support of the Equal Rights Amendment. The speeches are [available to watch here](#).

3. AAUW Cheer of the Week

Oregon's automatic voter registration program has [added](#) over 50,000 new voters since taking effect in January 2016. A report by Oregon's secretary of state revealed that more than half of the 100,000 new voters in the state became registered through the automatic registration program.

4. AAUW Jeer of the Week

Women with Ph.D.s in science and engineering earn [31 percent](#) less than their male counterparts one year after graduation. A study by the American Economic Association revealed this gap after examining data from 1,237 students from four U.S. universities between 2007 and 2010.

Kudos to our Branch's Interest Groups and Neighborhood Groups

Roseville-South Placer AAUW offers a variety of Interest Groups and Neighborhood Groups that provide fellowship and intellectual growth for Branch members. Contact group leaders for further information. (See pages 10-11-12).

Our branch thanks the leaders of these groups who have given of their time and talents to organize and facilitate both educational and enjoyable activities for branch members during the 2015-2016 AAUW year.

Interest Group Policy Approved by the Board April 2016

Interest Group is the general term for groups of members who gather to enjoy mutual interests and hobbies.

- Membership in interest groups shall be open to all branch members.
- All members of interest groups shall be branch members. Exceptions are made for spouses, civil partners and significant others in designated couples groups.
- Former members are not allowed to participate in interest groups until their dues are paid in full.
- Individuals eligible for branch membership [A graduate holding an associate or equivalent, a baccalaureate, or a higher degree from a qualified educational institution or a foreign degree acceptable as a basis for admission by graduate schools at qualified universities of the United States shall be eligible to receive admission to AAUW membership] may attend interest groups as prospective members for no more than two interest group meetings per year, after which time the guest must apply for AAUW membership and pay branch, state and national dues in order to continue.
- The chair of an interest group may invite non-eligible members to participate as resource people for the benefit of the group. A resource person is someone such as a speaker or teacher who shall attend no more than two times a year for that interest group.
- No interest group activity will be scheduled on the date of the branch general meeting or branch special event or fundraiser. The branch general meeting takes precedence over any scheduled branch section or interest group. Traditional dates of interest group meetings will take precedence over proposed meeting dates of new interest groups.
- Member concerns about interest group activities shall be settled by the Interest Group Chair in consultation with the Program Vice President.
