

## CELEBRATE EQUAL PAY DAY APRIL 12 AT THE CAPITOL

### April 12 is Equal Pay Day.

This date symbolizes how far into the year women must work to earn what men earned in the previous year. Let's show California legislators our support for closing the pay gap by convening at the state Capitol in Sacramento at **11:30 on April 12.**

Our host and speaker is Assemblywoman **Lorena Gonzalez**, who chairs the Assembly Select Committee on Women in the Workplace. Assemblywoman Gonzalez was a key force behind last year's nation-leading CA fair pay legislation. She'll be joined by our AAUW CA State legislative advocate, **Shannon Smith-Crowley**. We'll be meeting from **11:30 to 1:30** in the Eureka room in the basement of the Capitol. Members may bring guests.

See page 5 for Directions to the Capitol. —>

### Lunch will be gourmet sandwiches; your choices: The cost is \$15.

Brie Baguette – Black Forest ham, brie cheese, fig preserves

Roast Turkey Breast – Walnut cranberry bread, cucumber, cranberry cream cheese

Vegetarian – Roasted vegetables, provolone cheese, multi-grain bread

**Following lunch and speaker (11:30 to 12:30), we'll be treated to a private docent-led VIP tour of the Capitol, including some historic rooms that are not generally open to the public. The tour will be from 12:30 to 1:30.**

**Don't miss the opportunity to participate in this unique event.**

**You need to ACT NOW because we have a deadline of April 4 with the caterer and have planned for only 60 participants.** So mail your checks made payable to AAUW to Barbara Fraivillig. After March 30, contact Barbara to see if there are still openings before sending a check.

**Indicate your choice of sandwich on the memo line of your check.**

## President's Message by Sanchia Spadow

**March was National Women's History Month.** The theme this year was "Working to Form a More Perfect Union: Honoring Women in Public Service and Government." "Each of these public leaders succeeded against great odds. The diversity of their experiences demonstrates both the challenges and the opportunities women in public service have faced. Their ability to use the art of collaboration to create inclusive solutions and non-partisan policies, as well as their skill and determination, serve to inspire future generations. The tenacity of each Honoree underlines the fact that women from all cultural backgrounds in all levels of public service and government are essential in the continuing work of forming a more perfect union."

### National Women's History Project

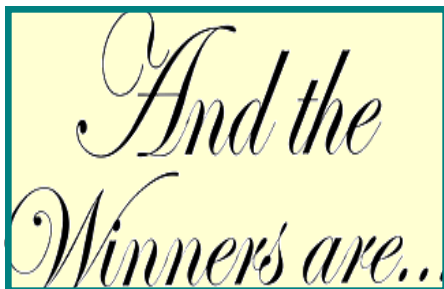

The sixteen women honored epitomize AAUW's mission and values. They represent a rich history of strong and determined women who valued a woman's place in the world. Among the sixteen was Ella Grasso, former governor of Connecticut – the first woman elected in her own right. I am proud to have been a member of Governor Grasso's staff and remember her as a personal friend and extraordinary public servant. Take a look at the National Women's History Project website to read more about these honorees. [www.nwhp.org](http://www.nwhp.org) I am proud that our branch has begun the tradition of honoring "women of distinction" so that we remember and thank the women who are leading the way and creating opportunities for women and girls.

At our April 12th program at the Capitol, "Celebrating Equal Pay Day," our branch will have the opportunity to hear from a woman in public service and government, Assemblywoman Lorena Gonzalez, Chair of the Select Committee on Women in the Workplace, and from AAUW legislative advocate Shannon Smith-Crowley. Two women who are working so that all women have a fair chance. I hope you will join us at the Capitol for this important program.

*Sanchia*

## 3<sup>rd</sup> ANNUAL ANTIQUE ANSWERS

By Jackie Lamb, VP, Philanthropy

On March 5<sup>th</sup> the Branch held the 3<sup>rd</sup> Annual Antique Answers event. Again the majority of the customers were non-members which have been our goal. However we also want to thank those members who signed up to have their items evaluated. The goal for Branch fundraisers is to raise funds from outside our membership whenever possible.

We had over 100 customers in spite of nasty weather and some evaluators cancelling at the last minute. **Susan Hall** and **Lora Finnegan** did a yeoman's job of making it all work even with the last minute changes. The hours each of them spent on this event were very significant.

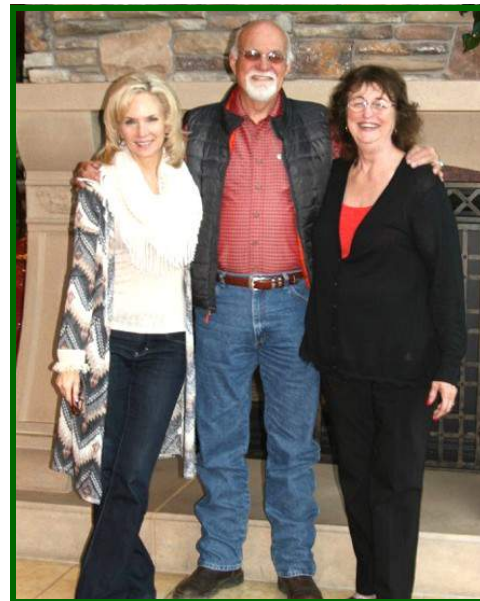

Please tell them thanks when you next see them.

The written evaluations that we asked people to complete showed:

1. Everyone ranked the event as Very Good or Good
2. Most said we should do the event again
3. All the various forms of publicity that we used brought in people with Sun Senior News leading the list.

Though this is an event enjoyed by both our customers and members the time and work required have not resulted in enough revenue. We were able to raise just over \$2000.00 The first year we had over 200 customers but have not been able to attract those same numbers in years two and three. The Branch will need to consider hosting this event every 3 or 4 years to build up a broader customer base.

**Thanks to everyone who volunteered their time and talent.**

## ***ELECT HER* Workshop at Sierra College**

**By Sue Miller, Sierra College Leadership Chair**

**Sierra College hosted an *Elect Her* workshop on March 10**, with over 30 students, including a few guys, in attendance. **Kate Farrar**, formerly an AAUW staff member, facilitated the half-day session, which also included several speakers.

**Deborah Ortiz, former CA Assembly member and Senator**, shared stories about what motivated her to pursue elected office. A panel of students spoke about what campus issues make them want to consider running for student senate. Each student wrote a brief “elevator speech” and all practiced giving their speeches. A very successful afternoon!

**Speaker Deborah Ortiz inspires students at recent *ELECT HER* workshop.**

**Sierra College students in attendance at *ELECT HER* workshop on March 10**

## **Sierra College Women and Gender Resource Center — Can You Help?**

Our Branch Board voted to give AAUW members the opportunity to donate items to be given out at the new **Women and Gender Resource Center on the Sierra Campus**. Three members of our branch have offered to collect the donated items, which will periodically be delivered to the center.

**Lincoln – Sue Orvis; Rocklin – Sue Miller; Roseville – Linda Howard.**

This would be a good project for AAUW Neighborhood Groups!

**Items needed:** Travel sizes of shampoo and conditioner; tampons; pads; soap/shower gel; razors; toothbrushes/toothpaste/floss; tissues; hand sanitizer. Also baby diapers and wipes; school supplies such as pens, pencils, sharpies, highlighters, notebooks, staplers. **THANK YOU!**

## Public Policy Report From Mary Kay Melton

AAUW will launch its latest research report, *Barriers and Bias: The Status of Women in Leadership*, on March 30. It examines why women are a small minority in seats of power while they are a majority of the U.S. population.

AAUW announces, "Live from the Newseum in Washington, D.C.," a panel of experts from industry, politics, and academia, moderated by journalist and author [Cokie Roberts](#), will discuss the report's findings, what they mean for women in leadership, and how these industries — and our society as a whole — can benefit from more women leaders."

You can sign up to receive the report here:

<http://www.aauw.org/research/barriers-and-bias/>

You can register now to **watch the Barriers and Bias report launch panel on Women in Leadership** here: <http://www.aauw.org/event/2016/03/barriers-and-bias-webcast/>

### And, News from AAUW Washington Update:

**Lisa Maatz** reports that "AAUW members should be very proud of the widespread progress on [equal pay in the states](#) in the last year. In October, [California](#) passed the strongest equal pay law in the nation. AAUW members advocated on behalf of the bill and were present at the bill's signing. Even more, AAUW helped to organize a [blitz](#) of equal pay bills in states for 2016—33 to be exact (and counting!)—which have been introduced or are pending this session. Your tireless advocacy and ongoing support make these extensive achievements possible."

**This information emphasizes the timeliness of our upcoming Equal Pay Day event in Sacramento on April 12.**

## Directions to Capitol in Sacramento and Parking Information

**Directions:** Depending on where you live, get onto Hwy 80 going west. After Madison Ave. stay to the right and take Business 80. Continue on to Hwy 160 (to the right after the Arden exit). Hwy 160 becomes 12th Street. This street deadends at L Street. The Capitol is on L Street. Turn right on L and right onto 10th. Turn right into the Capitol Parking garage. The cost is \$1.50 for each 1/2 hour. If the garage is full, continue on 10th to the City Hall garage at 10th and I Street. The cost is the same.

Because downtown construction has slowed traffic, it is a good idea to allow about an hour to drive downtown, find a parking place and go through the Capitol security check.

## Speech Trek News

By Michele Stark, Speech Trek Chair

**Exciting news!** Our top Speech Trek winner, **Caitlyn Jordan**, has been selected as **one of the 3 state finalists** for the **AAUW-CA State Convention** at the Marriott Hotel in San Mateo. The final Speech Trek competition is the featured program at the luncheon on:

**Saturday, April 16, at 12:00-2:00.**

I plan to attend the luncheon and hope you will also. If you just want to attend the luncheon, the cost is \$40. For more information on all the events, workshops, and costs go to the state website at [aauw-ca.org](http://aauw-ca.org) and click "Convention" located on the left side bar.

**Caitlyn Jordan**, a senior at Roseville's Oakmont High School, plans to attend UC Berkeley as an English major and eventually become a journalist. Caitlyn is president of her school's Speech and Debate Club and Creative Arts Club, volunteers with the homeless shelter Gathering Inn, and serves on her county's Youth Commission. She also enjoys playing classical piano, spending time with her 15-year-old sister, and practicing hot yoga.

**Hope you can attend the event to cheer for Caitlyn!**

## Tech Trek Almost to the Finish Line

By Kim Lillard, Tech Trek Chair

The countdown continues to the final six scholarship recipients as our branch holds its **Tech Trek Scholarship interviews** on Saturday, March 19th, at the Woman's Club in Lincoln. Members of the Woman's Club were happy to provide their facility for a nominal rental fee, as issues affecting girls and women are near and dear to their hearts as well.

The final tally for participating schools and their students heading for interview day is eleven, with one student being chosen from each of the participating schools' nominees. It was difficult to choose one young lady from each school; it will be even more difficult to choose the finalists and alternates from such a deserving group of girls. Recipients of the camp scholarships will be notified by April 1st, and the annual ice cream social to celebrate their achievement will follow soon after.

**Wishing good luck to all the interviewees!**

If you would like more information on Tech Trek in general, please feel free to contact Kim Lillard. Please also go to our website at:

## Highlighting Casual Gardeners Interest Group Event: Tulipmania!

By Patricia Tolleson

**The Casual Gardeners** left bright and early on Feb.17 to board the Amtrak train to San Francisco. We arrived at Pier 39 where the vibrant colors of more than **39,000 blooming tulips** (many imported from Holland and Washington State) and garden favorites awaited us. Our tour guides provided helpful gardening tips and information about the history of tulips. We had time to browse and shop before a short ten-minute walk to Scoma's Restaurant, where we enjoyed a scrumptious lunch. This fun-filled day was arranged by Barbara Fraivillig.
