## President's Message & Board Meeting Highlights By Kathy Novotny

Many thanks to Kathy Kort for proposing and presenting the November program on the International Rescue Committee (IRC). Kathy worked tirelessly with our Program VP's, Kate Tiongson and Sue Cofer, to share her passion for this worthy cause and coordinate bringing the program together. The event was well attended and I've received nothing but positive feedback from our members on the timeliness of the topic and the information that was presented.

Our Philanthropy VP's, Lynne Cooper and Dianne Black, have sent out the invitations for the annual "No-Reservations" fundraiser. This is your opportunity to support our Branch's local programs that deliver Tech Trek, Speech Trek, Sierra College Scholarships, High School Scholarships, and other outreach efforts to our community. Donations made by December 31<sup>st</sup> are deductible for your 2017 taxes, so please send in the cards you received last month with your donation.

On December 12<sup>th</sup> we will continue our 50<sup>th</sup> year anniversary celebration at the Kilaga Springs Lodge in Lincoln from 3pm – 5pm where we will toast the holidays, relish the wonderful food, enjoy the entertainment, and share our fellowship. I hope you'll be able to join us as we catch up on old friendships and make new ones. Barbara Fraivillig is ready to take your reservation!

This year our Branch continues our collaboration with Amazon Smile. This program sends a portion of your purchase price (at no cost to you) back to our Branch as a donation. Instructions on how to access Amazon Smile for AAUW Roseville-South Placer are included on page 5 in this month's Branch Lines.

Please make sure to save two dates in January:

- Saturday, January 20<sup>th</sup> we celebrate the 20<sup>th</sup> anniversary of our Tech Trek program
- Saturday, January 27<sup>th</sup> the IBC will hold their annual luncheon in Sacramento

### **November 8<sup>th</sup> Board Meeting Highlights**

## Area International Refugee Committee Making a Difference in Families' Lives

### Lisa Welze – Resettlement Director Sacramento International Rescue Committee (IRC)S

More than 50 people attended the very informative program on **November 10th** at the Woman's Club of Lincoln, showcasing the important work that IRC undertakes. Lisa showed a DVD and through a power point presentation she explained the difference between refugee and immigrant status and specifically the Special Immigrant Visas program which works with Afghanistan families. She described in detail what the IRC does to help the families adapt and thrive in their new environment. This includes assisting in job searches, cultural orientation classes, navigating the US healthcare system, assigning case workers to each family, assisting in getting the children enrolled in school and ESL classes including the Mommy and Me program for the women and their preschool children. Lisa answered a number of questions at the end of her presentation and brought handouts for the group to take. We presented her with Walmart and Target gift cards from our generous members. Lisa said that she would provide an update on who received the cards and how they were used.

A special thank you goes to Linda Yadao, Sue Cofer and Pam Wilkinson for their work in setting up the room. And a very special thank you goes to Art Deardorff (Lincoln Rotary) for his help in setting up the audio/computer equipment for Lisa's presentation.

## FUNDS Luncheon – Carolyn Garfein Honored

By Sanchia Spadow, Chair

Several Branch members—Kathy Kort, Kathleen Crawford, Carolyn Garfein and Sanchia Spadow—attended the AAUW California Funds luncheon in Danville recently. It was announced that there are 26 fund Fellowship and Grant recipients studying in California colleges and universities or doing projects in our communities. American Fellows represented a broad range of studies and interests from Sociology, Law, Biology to History and the Arts. Career Development grants were awarded for the study of Agriculture, Mechanical Engineering, Architecture and Design. In addition, International Fellowships were represented from Brazil, Mexico and the Philippines. None of these fellowships and grants would be possible without the generous donations of AAUW members. Something we can all be proud of.

The surprise of the afternoon came when our own **Carolyn Garfein** was presented with an award for her generous financial support to FUNDS. We know how passionate she is about AAUW and the programs promoting women's advancement through equity and education.

**Congratulations, Carolyn, from all of us!**

### **Dear AAUW Members,**

It was 136 years ago when 17 trailblazing women came together and formed what is today AAUW. Their mission to empower women and girls lives on, embodied by a powerful network of dedicated and passionate members, supporters, and volunteers. AAUW continues to impact the lives of countless women and girls because of you and more than 170,000 others who have committed to making our mission a reality.

Your dedication to the purpose that brought our founders together is what makes the 2,000 AAUW communities and campuses across the country strong. You champion Title IX and safe campuses. You demand equal pay for equal work. You push for gender equity in STEM fields. You empower the next generation of women leaders.

Whether through advocacy, education, philanthropy, or research, AAUW members, supporters, and volunteers — a group of thoughtful, committed citizens — are changing the world. On behalf of AAUW’s staff and your AAUW Board of Directors, we thank you for all you do to move the AAUW mission forward, this day and every day.
