APRIL
2018

American Association of
University Women

What is in the future for our College & High School Scholarship Students and for Title IX?

**When: Thursday, April 5, 2018
4:00 to 6:00 p.m.**

**Where: Woman's Club, 499 E. St.
(Corner of 5th), Lincoln**

A Free Program, Open to the Public Refreshments Provided

Branch members enjoy playing games, tasting wine and gourmet food, visiting garden sites, engaging in current events. However, it is easy to lose sight of our most important mission: our philanthropic work for women and girls. One of the most important parts of our philanthropy program is providing scholarships to women returning to school at Sierra College and high school senior girls in need of financial aid and heading directly to college after graduation. In addition, girls and women across the nation are affected by **Title IX**, not only for sports but for issues such as sexual harassment in school.

Alecia Hetman, Past President of AAUW CA, National Vice President of AAUW, member of many committees including LAF, and currently Title IX Chair will bring us up to date on issues covered by Title IX. (See page 9 for more information on Title IX.)

Lora Finnegan, high school scholarship chair, will describe our **high school scholarship program**: how students are selected and who have been past recipients. We hope to hear from at least a few of these outstanding girls. Their individual stories of need and the hard work they put in to prepare for college are truly moving.

Betty Manning, Sierra College scholarship chair, will introduce the women whom we send to Sierra College. Both of our scholarship women will attend and share their stories and their heartfelt struggles of returning to finally get their college degrees.

**Will they have a piece of the pie? We hope.
You can have a piece of the pie if you attend
this exciting program!**

**This is the Branch's first program for this
50th Anniversary Year to focus entirely on
these Important issues. It is a must-see event!**

Letter to **YOU from Inspirational Winner
Who Advances to State Final!
By Michele Stark, Speech Trek Chair**

Exciting News: Rohan Sharma, the branch Speech Trek winner of the Eleanor Stem Allen Memorial Speech Contest, has been selected to be one of only three students to advance to the AAUW-CA State Finals on April 28, at the state convention in Irving. You can view his inspirational speech on **“How Can We Stand Up to Sexism?”** at either our branch website or go to YouTube and enter: AAUW Speech Trek 2018 Rohan Sharma.

Enjoy his letter to YOU below.

Dear AAUW Members,

Hello! My name is **Rohan Sharma**. I am 15 years old and a sophomore at Whitney High School in Rocklin. I recently won the “Eleanor Stem Allen Memorial Speech Trek Contest” for the Roseville-South Placer Branch. This was my first time participating in the contest, and the reason I signed up was not because of the cash prizes, but because I enjoy public speaking and want to improve my oratory skills as much as I can. I am interested in becoming a civil rights attorney and entering public service later in my life, so the public speaking skills I am developing now will serve me well in the future.

Another reason I entered the contest and dedicated myself to creating and delivering the best speech I could, is because of the topic. Standing up to sexism is something I believe is a pressing issue in society today, and something I wanted to share my beliefs and solutions on, so I am grateful I had the opportunity to do so. I learned that researching, working, and speaking on an issue I am passionate about is not a dreary task, but rather a rewarding one. The money I earned from the contest, however, will help me towards attaining my dream of attending Stanford University.

I am so grateful to the AAUW, all of its members and volunteers who helped facilitate the event, the Allen Family, and Michele Stark, the Chair of the Speech Trek Contest. As Mrs. Stark told me “it takes a village” to put on this contest, and I greatly appreciate everyone in our village for giving me an opportunity to share my voice, stand up for what I believe, and work towards my dreams.

I look forward to advancing to the State Final Round on April 28 and to share my words with more people who are willing to listen. Thank you to everyone who helped with and attended the contest, and to all of the AAUW Roseville-South Placer Branch’s members for providing high school students the chance to participate in speech contests while advancing equality for women and girls, and all of society!

Sincerely,
Rohan Sharma

Women of Distinction 2018 was a Great Success!

By Sue Miller, WOD Event Chair

The third annual Women of Distinction fundraiser in support of our community programs took place March 8 at the Catta Verdera Country Club, bringing together branch and community members in a gala evening. Honorees Dawn Clayton, General Manager of the Thunder Valley Casino and Resort and Susan Rohan, Mayor of Roseville, shared interesting stories about their work. Dawn noted that, while working as a dealer in a casino, she entered college and earned a degree, and supports our branch giving scholarships to re-entry women. Susan encouraged women to consider running for office. A number of elected officials, including Placer County Supervisors Jim Holmes and Kirk Uhler, Roseville Vice Mayor Bonnie Gore, Lincoln City Council Member Paul Joiner, and five members of the Sierra College Board of Trustees joined in celebrating the Honorees.

Speakers Nancy Kirshner-Rodriguez, former Executive Director of the California Commission on the Status of Women, and Beth Broome, Adviser on STEM to the Provost at UC Davis, spoke about their work focused on improving the lives of women and girls, and how it connects with AAUW's mission. After the passage of the Pay Equity legislation in 2016, Nancy established a Status of Women Committee on Pay Equity, tasked with developing the implementing regulations. Beth is active in Million Women Mentors, women in STEM fields who work with young women pursuing education and careers in science, technology, engineering and math. Both our honorees and speakers complimented Roseville-South Placer branch for the many ways it supports women and girls through scholarships and educational programs.

Through extensive committee efforts, Women of Distinction has been successful, not only in raising funds, but in raising awareness in South Placer about AAUW. Our branch's membership in the Roseville and Rocklin Chambers of Commerce has helped many in the community learn of AAUW's commitments to better the lives of women and girls. This inspired Honoree Dawn Clayton and Thunder Valley to make generous donations at the event! Building a broader base of support will ensure that we can continue and even expand our outreach in South Placer County.

Many thanks to the Women of Distinction Committee: Maria Actis, Sally Altman, Dianne Black, Sue Cofer, Lynn Cooper, Kathleen Crawford, Lora Finnegan, Barbara Fraivillig, Marilyn Gregory, Linda Hart, Kathy Kort, Joan Mackey, June Paquette, Cleo Postle.

Use Amazon Smile and Help our Branch

So many members order from Amazon, some even using Amazon prime. Now there is a way to buy your usual items and let Amazon give back to our non-profit charitable funds.

When you are ready to place an Amazon order:

Find the "Select a charity" space and type in AAUW Roseville South Placer.

Then click the select button. Now you are on Amazon Smile. You have just entered Amazon through a different portal. Shop and place your order in the usual way, and Amazon takes care of the rest, giving back one-half a percent to our branch--not a lot, but every few dollars help, and you have no extra charges. You already have your credit card and personal information on file and secured with them, so you are not exposing any information to a third party. If you are an Amazon Prime user, the process works the same way.

If you are not an Amazon user but would like to be, you will be asked to set up an account. Amazon walks you through the process. If you are a regular Amazon buyer, you already know the procedures. Eventually, the branch hopes to have a similar connection with other businesses that will work the same way. Keep shopping and help our worthy causes!

*You are invited to a
New Member Spring Party.*

*New members and members with guests
who are interested in joining the
South Placer AAUW Branch
are invited to a party.*

*On Tuesday, April 10, wine and hors d'oeuvres will be
served from 3:00-5:00 at Lynn Cook's Lincoln home.*

Please RSVP by April 3 to Lynn Cook, New Member Chair

Why is Title IX Important? By Sue Miller, Public Policy Chair

You may be wondering, “Why is Title IX a big deal to AAUW?” Or thinking, “Girls have it made now, they have girl’s athletic fields and locker rooms, etc.”

Consider this: Title IX of the Education Code, passed in 1972, is the first comprehensive federal law to prohibit sex discrimination in education. It covers women and men, girls and boys, and staff and students in any educational institution or program that receives federal funds. This includes local school districts, colleges and universities, for-profit schools, career and technical education agencies. Title IX enforcement is centered in the Office of Civil Rights (OCR) in the U.S. Department of Education, which works through state education departments on some aspects of enforcement.

By prohibiting hostile, threatening, and discriminatory behavior, Title IX protects the rights of all students to learn. Girls and women have made great strides in education under Title IX. Girls now have greater opportunities to participate in sports. The proportion of girls in STEM fields is growing as schools increase outreach and retention programs and address gender bias.

Despite progress, challenges to equality in education still exist. Pregnant and parenting students are still placed in continuation schools rather than being accommodated in mainstream classes. Schools are required to have Title IX coordinators, but many do not. A 2016 AAUW study of U.S. Civil Rights Data Collection statistics on schools reporting harassment and bullying showed that 68 percent of districts reported zero allegations of sexual harassment or bullying. The high rate of zeros points to very real problems in school reporting systems. And, if such incidents are not reported, they are likely not being addressed.

For decades students and advocates have called on OCR to enforce the Title IX statute, regulations, and Supreme Court case law concerning sexual harassment and violence, protections for pregnant and parenting students, equity in career and technical education, athletics, transgender students, and more. Under the previous administration, OCR issued periodic guidance documents clarifying how educational institutions should address issues. However, in the past year Secretary of Education Betsy DeVos has undertaken an effort to reduce the protections of Title IX, most recently to roll back protections for survivors of sexual assault.

With progress under threat, AAUW members must be ready to make our voices heard. Come to the Branch meeting on April 5 to hear Alicia Hetman discuss what can be done to assure that the protections guaranteed in Title IX remain strong and are enforced.

2018 Eleanor Roosevelt Awards

It takes a village... we all know what that means, but who are our village women?

Who are the women who make this Branch work?

Who gives their time, dedication, leadership, ideas, vision, or volunteers whenever the call goes out?

Why don't you tell us by submitting their name(s) for an Eleanor Roosevelt Award this year?

In celebration of our 5 decades—1968 -2018, an award will be given to five deserving women.

We think Eleanor Roosevelt was a wonderfully inspiring woman whose legacy should be celebrated, which is why the Branch presents the Eleanor Roosevelt Awards each year.

Eleanor Roosevelt was an incredible and influential woman! She was an American politician, diplomat and activist. She was very controversial and was very outspoken on many issues including racial ones. Eleanor was the longest-serving First Lady of the United States, having held the post from March 1933 to April 1945. In 1999, she was voted in the top ten of Gallup's List of Most Widely Admired People of the 20th Century.

Please submit the name or names for an Eleanor Roosevelt Award.

Anyone—whether they have received the award before or not—may be nominated this year. Everyone is eligible!

Send names with two or three paragraphs why you're nominating this member for recognition to: Sanchia Spadow, Chair

Eleanor Roosevelt Award Committee

See Branch Handbook for contact information

Nominations will be shared only with members of the committee.

REPRESENTING TWENTY YEARS OF TECH TREK SCHOLARSHIP RECIPIENTS OF 2018

Roseville-South Placer's AAUW branch members have been extremely busy this year, and they're barely through the first quarter. January saw the celebration of twenty years of Tech Trek, with last year's scholarship recipients putting on a special science fair to showcase STEM projects, and inviting the public to be a part of the program. February brought the excitement of Speech Trek; first place award recipient Rohan Sharma now moves on to the State

finals in April. March ushered in the second annual Women of Distinction Award dinner, attended by several local dignitaries and honoring Susan Rohan and Dawn Clayton, two very deserving and distinctive women in their fields.

Amid all the excitement of these first three months of 2018, the Tech Trek committee has been quietly working in the background, doing what they have done for the last twenty years. The teacher nominations, student applications, and parent certifications flowed back and forth from schools, homes and committee members. Meetings were held to discuss and debate the merits of each of the twenty-two student nominees, and the process began once again to whittle down so many deserving young women into only seven scholarship recipients, the number allowed to our branch this year by the UC Davis Tech Trek Camp Directors.

After an intense day of student interviews, held on Saturday, March 17th at the Woman's Club of Lincoln, the Tech Trek committee members are pleased to announce the 20th anniversary Tech Trek Scholarship recipients for the AAUW Roseville-South Placer branch. From Creekview Ranch Middle School comes two recipients this year – twins! Sydney Schell and her twin sister Taylor Schell will attend Tech Trek Camp from July 22nd through July 28th. Accompanying them will be Nia Sanders from Silverado Middle School; Ella Zumot from Cavitt Middle School; Sydney Hurter from Olympus Middle School; Brooke Roeker from Glen Edwards Middle School; and finally, Alyssa Rizzardo from Twelve Bridges Middle School. Eliot Cummings from Western Sierra Collegiate Academy and Sophie Ohanyan from Spring View Middle School are alternates. Congratulations to our 20th anniversary Tech Trek Scholarship Recipients!

A heartfelt thank you to the 20th anniversary Tech Trek committee members who worked so diligently to bring the scholarship search to its fruition, and continue the tradition begun in 1998: Lois Adams, Sally Altman, Noreen Briggs, Patti Kingston, Kim Lillard, Carol Mahany, Viktoria Peterson, and Louise Santana.

More information will be available in upcoming Branch Lines issues this year regarding the Tech Trek camp the girls will attend at UC Davis, and how you can join them on Visitation Day on Thursday, July 26th. Mark your calendars; you don't want to miss it!

For more information regarding Tech Trek, please contact Kim Lillard.

Changes—and Time to Renew AAUW Membership

As we prepare for fiscal year 2019, there are a lot of changes happening at AAUW.

The AAUW Board of Directors voted in June 2017 to enact the first dues change in almost a decade. Effective March 16, 2018, **national dues will increase from \$49 to \$59.**

Annual dues currently account for 13 percent of AAUW's annual budget. They help to sustain and grow AAUW's programs and work that advances equity for women and girls. A combination of dues, donations, and corporate and foundation funding is critical to supporting AAUW's salary negotiation workshops, groundbreaking research, advocacy efforts, campus leadership programs, and so much more.

State and local dues stay the same: \$20 for State and \$24 for our local Branch. A total of \$103 for the coming 2018-2019 year.

AAUW is aiming high in the strategic planning process on which it has just embarked, undertaking an ambitious, rigorous course of action that will sharpen our focus, relevance, and impact and buttress our core issues — pay equity, education, STEM (science, technology, engineering, and math), leadership, and Title IX — to solidify AAUW's position as a leader within the equity space during the 21st century.

The process involves asking these questions: Where are we now? Where do we want to be? How will we get there? And it involves integrating our mission, programs, and business model. "We're going to need rigorous focus and meaningful relevance in order to achieve lasting impact with respect to our mission," says Churches (Chief executive officer Kimberly Churches). "We're about advancing equity, but what are we doing to ensure that we are demonstrating measurable impact? This is a new planning process, but it's more than a plan. It's about the outcomes we will achieve and how we implement them."

See the following page for our Roseville-South Placer Branch Membership Renewal Form. Our Membership Chair, Dotti May, will be pleased to receive your renewal for the 2018-2019 AAUW year. Thank you for keeping your membership current so you will be included in our coming year's Branch Handbook and continue to receive our Branch Lines newsletter and informative emails. Thank you!
