## PRESIDENT'S MESSAGE

Thanks to Kim Lillard for the effort she, her team, and the Tech Trek campers put into the "Tea for Tech Trek's Twentieth" Program held on Saturday, November 3rd. Kim collaborated with our Program VP, Sue Cofer, to arrange a venue and wonderful refreshments in order to showcase the young ladies who were able to attend the camp at UC Davis during the summer 2018 session. Members and guests had the opportunity to review the camper's presentations and share their experiences with them.

**Kathy Novotny**

Our Branch's work at the two polling places for this year's mid-term elections was another success. Thanks to Sue Cofer, Maria Actis, and Linda Yadao for hanging in there all day and to the battery of volunteers who took time out of their busy schedules to make sure every vote counted.

The invitations for the annual "No-Reservations" fundraiser have been mailed to Branch Members. The money raised will be used to support our Branch's Tech Trek, Speech Trek, Sierra College Scholarships, High School Scholarships, and other outreach efforts to our community. Donations made by December 31st are deductible for your 2018 taxes.

The Program team has planned a fun and informative luncheon for December 5th at 11:30 am at the Old Spaghetti Factory in Roseville. The Saint Rose Bell Choir will ring in the holiday season and Karen Wilkes, AAUW CHAR, will present details on the charity, "Day's for Girls".

Reminder: A portion of your purchases on Amazon purchases could come back to the Branch (at no cost to you) through the Amazon Smile program. Please make sure you're set up on your Amazon account; instructions on how to access Amazon Smile for AAUW Roseville-South Placer are included in this month's Branch Lines, p. 11.

Upcoming events scheduled for January:

Saturday, January 26th, the IBC will hold their annual luncheon in Sacramento.

## Tech Trek's Twentieth Highlights Tea and Tech

By Kim Lillard, Tech Trek Chair

On November 3rd, AAUW RSP hosted "Tea for Tech Trek's Twentieth" to bid a fond farewell to a year's worth of celebrations for California's Tech Trek Program's twentieth year of existence. Roseville-South Placer branch has been involved with Tech Trek since its inception in 1998, so it was especially important that our branch pay homage to this wonderful program designed to encourage girls to pursue their love of science, technology, engineering and mathematics, otherwise known as STEM, or STEAM, integrating the Arts into the Sciences as well.

RSP's afternoon event featured yummy teatime sandwiches and a variety of teas for a lovely afternoon break from the norm. The highlight of the event was the presentations of each of our current year's Tech Trek Scholarship recipients. Sydney Hurter, Alyssa Rizzardo, Brooke Roeker, Nia Sanders, Sydney Schell, Taylor Schell and Ella Zumot were all on hand at the event to share STEAM ideas that they've been working on, including green roofs, the effect of musical chords on emotions, forensic science, food allergies, rockets, raspberry pi, and the science of figure skating. Each girl presented her work in a group setting, asked for audience participation with their projects, and gave assistance to those who were playing the Scavenger Hunt for prizes at the end of the program. The audience enjoyed the food, the fun, the presentations, and the prizes at the end of the event.

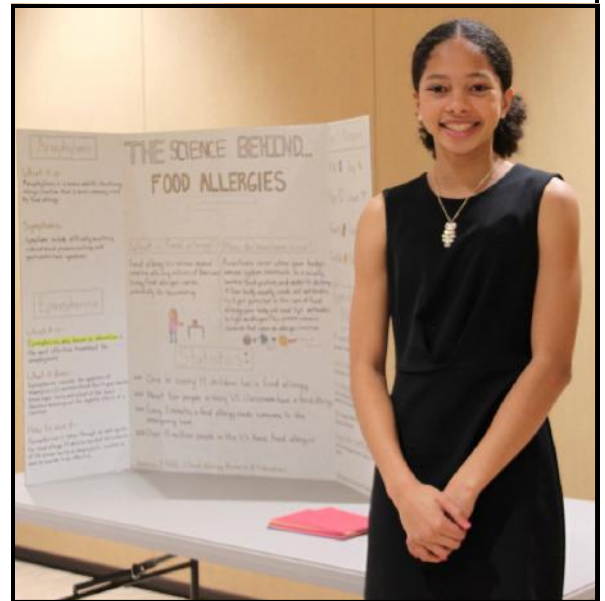

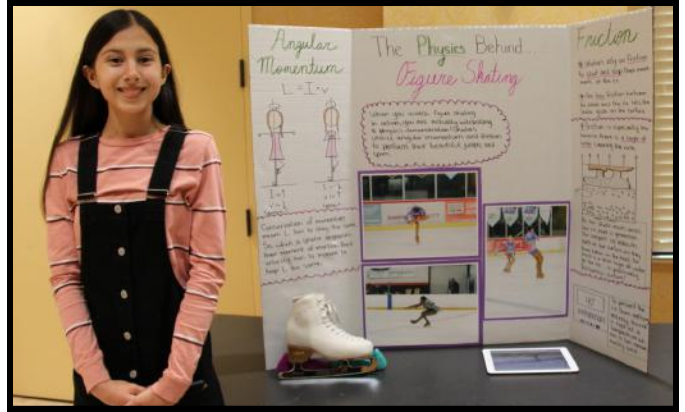

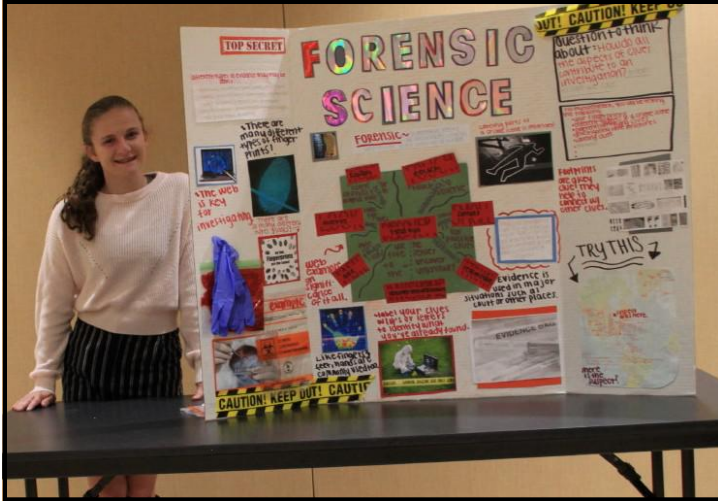

A big thank you to Event and Program Coordinator Sue Cofer and her team for the success of the event, and to this year's Tech Trek Scholarship recipients for their thoughtful, intelligent presentations. A great time was had by all! For more information regarding Tech Trek, please contact Kim Lillard .

## Branch Volunteers of the Month

### By Susan Hall

***Dear Members,***

Branch Lines will feature nominees for the ***Branch Volunteers of the Month***, a way of recognizing those many members who continue to contribute their time and energy to the Branch year after year, sometimes in major roles but often in positions that are less visible but no less valuable.

Please send your nomination to Susan Hall or to Adele Tarantino for inclusion in future Branch Lines.

***December's Volunteer nominees:***

***Sandy Haley***

Sandy has coordinated one of the two Roseville neighborhood groups for many years. When Connie Frank, coordinator for the other Roseville group, moved away, Sandy quickly stepped up to lead both groups and has worked to find both interesting activities and available days to keep this large neighborhood group engaged in outings and enjoyable gatherings.

***Leslie McNeill***

***Way to Go!***

Leslie has played significant roles for the Branch since she joined: serving on the board, working with New Member activities, acting as chair and hostess for the Wednesday social bridge group, participating on the Speech Trek committee since its beginning, and for the past two years serving as Interest Group Chair. She coordinates all of the Branch Lines interest group written submissions and serves on the Leadership team that meets with the board quarterly.

***Thank you Sandy and Leslie for your valuable work for the branch.***

## **YOU MAKE A DIFFERENCE!**

## AAUW CA Public Policy Priorities

Reported by Sue Miller, Branch Public Policy Chair

Every two years, AAUW CA updates its Public Policy Priorities, which provide the framework for determining the organization's position on bills introduced in the California Legislature. AAUW members are invited to participate in this process by reviewing current priorities and offering suggestions for changes.

This year an every-member electronic survey will be sent out in the near future. It contains the 2017-2019 Priorities and will enable you to review and comment by the December 10 deadline. In addition, the branch board will be discussing these at its December meeting.

Based on input from the online survey and comments received from branch discussions, the AAUW CA Public Policy Committee will formulate a revised set of action priorities which will be published in the winter edition of *California Perspective*. The full membership will vote on approval of the revised priorities in April/May of 2019. The new priorities will go into effect beginning in July 2019.

Please take advantage of this opportunity to share your thoughts on issues affecting women and girls and where AAUW CA's advocacy efforts should be focused. **Do it by December 10!**

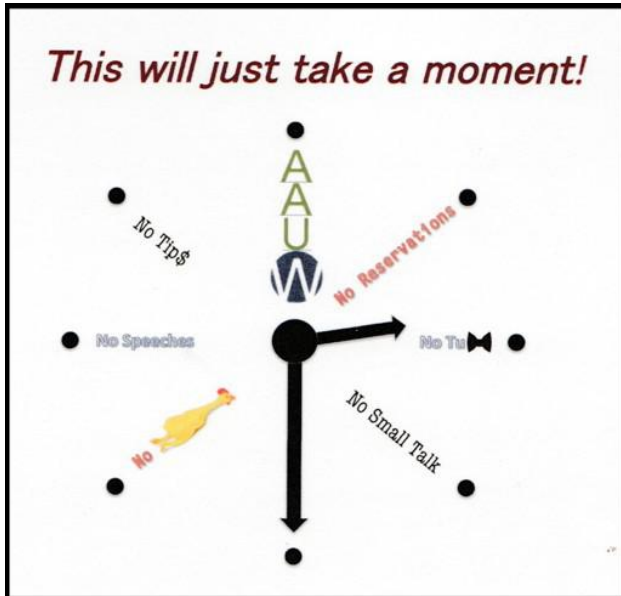

## Use Amazon Smile and Help Our Branch

So many members order from Amazon, some even using Amazon prime. Now there is a way to buy your usual items and let Amazon give back to our non-profit charitable funds.

### **When you are ready to place an Amazon order:**

Find the "Select a charity" space and type in AAUW Roseville South Placer. Then click the select button. Now you are on Amazon Smile. You have just entered Amazon through a different portal. Shop and place your order in the usual way, and Amazon takes care of the rest, giving back one-half a percent to our branch--not a lot, but every few dollars help, and you have no extra charges. You already have your credit card and personal information on file and secured with them, so you are not exposing any information to a third party. If you are an Amazon Prime user, the process works the same way. If you are not an Amazon user but would like to be, you will be asked to set up an account. Amazon walks you through the process. If you are a regular Amazon buyer, you already know the procedures. Eventually, the branch hopes to have a similar connection with other businesses that will work the same way. Keep shopping and help our worthy causes!

### **AAUW Provides Assistance to Women in Other Countries** By Joan Mackey

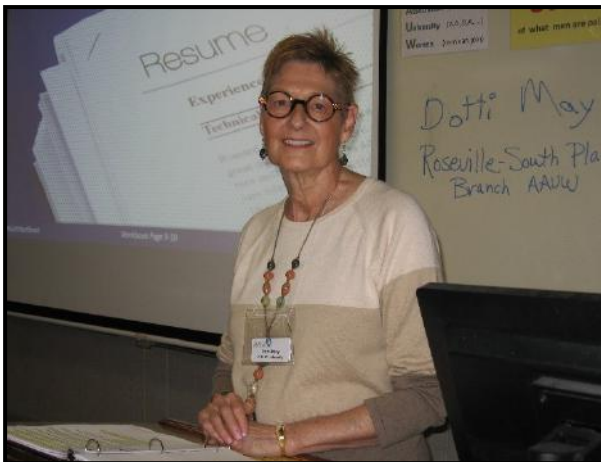

Over the years, AAUW has awarded **International Fellowships** to more than 3500 women in more than 140 countries. We know that when women are educated and empowered, they change their communities and their worlds

After these women pursue education in the US, their commitment to empowering women and girls in their home countries does not end and their need for funding does not end either. So to create lasting support, **International Project Grants** are given to International Fellowship alumnae who have returned to their home countries. This enables them to build on their academic work and implement community--based projects that will improve the lives of women and girls

In addition, AAUW speaks out on behalf of women and girls at the United Nations. We send delegations to the UN to learn about the unique challenges women face globally, and we share AAUW programs and research.

## Sierra College Leadership Committee **START SMART WORKSHOPS AT SIERRA COLLEGE** By Lynda Stockwell

The Sierra College Leadership Committee conducted 4 **Start Smart Workshops** at Sierra College in November. Pictured at the left is **Dotti May** facilitating the workshop in a classroom. The workshop teaches financial literacy, job research, and interview and negotiation skills. About half of the students attending are male, so our Branch includes information that is valuable to all students. Pictured are class students **Daniel Loeb** and **Josh Swink** performing a role play exercise emphasizing negotiation skills during job interview. Other workshop facilitators this semester are **Sue Cofer** and **Lynda Stockwell**. **Carol Mahany** and **Lynda Stockwell** also served as assistants during workshops. Many thanks to all who have worked so hard to offer this valuable and informative workshop to Sierra College students.

**FOOD DRIVE FOR HUNGRY STUDENTS:** Sierra College is actively receiving food items in November and December to fill their food pantry to help feed hungry students this winter. Some students, like emancipated foster youth, veterans, single parents, and many others, struggle financially to feed themselves and this is a great way to lend a helping hand. Deliver non-perishable food items (and toiletries) to the **Student Food Pantry, Student Life Office, Room J7** in the Cafeteria Building J, M-TH 12-4 pm, F 8:30 am-12 pm. A 30-minute visitor parking is available directly in front of the bookstore-Cafeteria buildings beside the LRC (library). Or contact your Neighborhood Group leader for assistance getting the food to the college food pantry.

Kudos to the Rocklin Neighborhood Group! 3 shopping bags of donated hygiene products, school supplies, etc., were delivered by **Jerri Yeager** and **Lynda Stockwell** to the **Sierra College Women's Center in Bldg. I, Room 1A**. I happened to run into a Sierra College student in the office who recognized me as an AAUW-RSP member. She was one of our Tech Trekkers several years ago and is now in college! Small world! If you would like to donate to the Women's Center, please contact your neighborhood group leader or **Lynda Stockwell** for details.
